Dear Brennan School Faculty Members:

We are excited to have Samuel Di Piazza as our 2010 Ethics and Leadership lecturer. Below is another copy of the invitation you have already received. I urge you to come and to encourage your students (and other colleagues and friends) to attend as well. There is no cost, but registration is required – and students should be reminded that business casual attire is also required. (See the invitation below for online registration.)

We will once again provide transportation for up to 30 who would like to join Andrea and Grace, who have very kindly offered to drive Dominican vans. There is a sign-up sheet in the Brennan School Office for this transportation.

Please call me if you have any questions about the lecture or the transportation.
